

Greetings from District 14

I have been in contact with all of the GR's in our district and most of them have been using the Zoom and it has been working quite well for them. I think most of us have become quite proficient at using Zoom by now. We are so fortunate to have a way to keep us together and be able to hold our Al-Anon meetings. There have been some groups that have either gone back to their meeting places or are looking to in the near future. I was very glad to hear that those groups that have not been using Zoom are staying in touch with each other.

The Alateen group in our District is still meeting virtually and they plan on keeping it that way for the foreseeable future. The sponsors are planning on another outreach once things settle down with the virus.

We have not held a District meeting since February and I am anxious to hold one again. Our meetings are held at a church and at this time we are not able to meet there. I hope to get something figured out for a District meeting as soon as possible.

I hope this finds everyone healthy. Think Spring and all of the wonderful things that comes with it.

Lovingly In Service

Judy V
