

We are Zooming almost everyday and we have two small meetings that still get together. Our Serenity Day for Sat June 20 is still scheduled for Stone Park. The flyer is on our website but instead of a pot luck we are having BYOB (bring your own bag). We will have a virtual office meeting in Monday June 1 and a virtual District meeting or possibly a get together on July 16. Looking forward to our Spring Virtual Assembly

Respectfully in service
Barb G DR District 1
