

Hello to all from District 14.

While we are still trying to navigate the effects from the pandemic, I want to give a shout out to all of the GR's in District 14. I am finding that each and every one is working at keeping their group together. We do have one group that is unfortunately thinking of closing as the only one showing up to the meeting is the GR. We hope that something can be done to save this group. Everyone has gone back to face-to-face; although there are two groups that are doing hybrid. Most all in those two groups are going to the meeting place, but they are still offering zoom in case someone wants to join virtually. Membership wise, they are pretty much holding the attendance same as prior to Covid-19.

Zoom meetings are working well for Alateen. They are hoping to meet in person as soon as the church opens up. The AMIAS will be working on reaching out to more teens. They are looking forward to connecting with others at the Fall Assembly.

We still have not held a District meeting since the closings, but I hope to as soon as the church opens for us. The GR's have assured me that they are getting my emails and I am trying to keep them up to date in this manner. I am looking forward to when we can all feel a little safer and I will be able to attend the groups in District 14.

Enjoy this beautiful Fall we are experiencing. The trees are beginning to change their colors and I look forward to virtually seeing everyone at our Fall Assembly.

Lovingly in Service,

Judy V.
