

Hello from the Webpage,

I want to thank everyone that has been sending me updates, flyers and latest news.

The learning curve for your webpage coordinator continues with an upgrade to the webpage software that has set me back. Please bear with me while I re-learn tasks I really thought I'd figured out! I apologize for delays in updates to the webpage. I'm so very sorry.

Congratulations to the Northeast Iowa Districts (Cedar Falls, Charles City, Decorah, Dubuque, Grundy Center, Independence, New Hartford, and Waterloo) who have banded together and set up a new web page. <https://al-anonneiowa.org>

Check out this great new web site and make sure to visit all of the District web sites.

Cedar Rapids *District 8* www.CedarRapidsAreaAl-Anon.org

Des Moines *District 7* www.al-anondesmoines.org

Sioux City *District 1* www.al-anonsiouxcity.org

Check out the new "Delegate's Corner" tab on your Iowa Area Web site: <http://iowa-al-anon.org>. The latest from the WSO's July 2020 Board Week features links to the Chairperson of the Board's letter as well as updates from the Finance, Policy and Conference Leadership Team (CLT).

As always, if you have questions or need help please let me know.

Yours in Service,
Beth R.
Webpage Coordinator
