

Literature Report

June Assembly 2021

Hello, I am so happy to be here with all of you, zoom is ok, but I've been looking forward to the weekend we could all meet together and its finally here.

The World Service Office, (WSO), has been working on an electronic rendition for the *Al-Anon Newcomer Packet*. More information will be coming when it get closer to completion. In the meantime, groups can share the URL: al-anon.org/welcome. If the newcomer provides their personal email the info will be sent right to them.

Currently thru June 30th, 2021, the book *Many Voices, One Journey* (B-31) is available for \$8.00 plus shipping. This would be a great way for your members to honor our 70th anniversary of Al-Anon while delving into our past and understanding how Al-Anon came to be.

WSO no longer need sharings for our NEW DAILY READER (working title). It is still a work in progress. The near final draft has been reviewed. Hopefully it will be presented at the Al-Anon International Convention which will be held in New Mexico in 2023.

Our Members Blog can be found at al-anon.org/member-blog. Please ask your members if they have visited this site and to consider reading or writing if they have not yet done so.

In our *Forum* magazine we have a department called "CAL Corner" Topics, we hear from members who share which Al-Anon literature has aided their recovery. This June, they will be focused on the 60th anniversary of *Alcoholism the Family Disease* (P-4),

There is always a need for sharings for CAL Corner. *Al-Anon's Twelve Steps & Twelve Traditions* (B-8), *Living Today in Alateen* (B-26), *Discovering Choices* (B-20), and *Opening Our Hearts, Transforming Our Losses* (B-29). If any of this CAL literature has been helpful towards your recovery, please consider sharing your experience with our fellowship at al-anon.org/pdf/CALcornerSharingRevised%202018.pdf.

Yours in Service
