

WEBPAGE COORDINATOR

As we come together for our hybrid Spring Area Assembly, the webpage is expanding! We have added a “Delegates Corner” and a “Store” which utilizes PayPal as an electronic payment option.

Your Store features the three “Packages” and for the upcoming Area Serenity Weekend scheduled for November 5-7 (Two overnights, one overnight, and Saturday only) as well as exciting t-shirts, sweatshirts, and a tote bag featuring our “Hee H.A.W.” logo. We’ll be utilizing that foundational Conference Approved Literature (CAL) *How Al-Anon Works* as we recharge, renew, and re-engage. Your Store also features a place to donate to the Iowa Area.

Sharing experience, strength, and hope is definitely an essential service and our dedicated, resourceful members across Iowa continue to support each other through virtual, in-person, and hybrid meetings.

Districts across the state are offering online video meetings through Zoom and GoToMeeting platforms, conference call-in lines, and in-person meetings that continue to practice social distancing and in-person meetings that are back to pre-pandemic norms. The changes to the meetings are fast and furious in your District and across Iowa. iowa-al-anon.org strives to give you the most up-to-date information.

The posting of the Assembly reports to the [Iowa Area Assembly](#) tab (located under the “Members” menu) continues for the Spring Assembly. I hope that all in attendance are accessing the information for our Virtual Assembly in the *Reports for Assembly* section in the [Iowa Area Assembly](#) tab.

The Webpage committee’s support and engagement continued through the Policy and Procedure manual update. I want to thank those members: Area Treasurer, Linda A., Group Records Coordinator, Tracy HG., Past Delegate, Maddie P., and District 11 DR, Jamie V.

I know I speak for the committee members when I say that the Iowa Area Website strives to be a resource to Iowa Al-Anon. Any suggestions or comments are welcome and of course, anything your District would want to post to the webpage, reach out to me or any committee member. I can be reached via email at Iowaalanon@gmail.com

Yours truly,
Beth R.
Area Web Page Coordinator
