

District 13 (Iowa City and beyond) held a district meeting on Sept. 25 with nine people in attendance. The format was 45 minutes of business meeting and 45 minutes of a writing activity on Step 11. We were all thankful to be meeting in the same room!

This district has 13 meetings, and 9 Group Representatives. Five meetings are now in-person. Four meetings are still Zoom only, and one is hybrid. Not certain about the others. A couple of meetings have the same number or more than before March 2020. A few have fewer people. At least a couple of the in-person meetings report having newcomers recently.

We continue to navigate through the uncertainty ONE DAY AT A TIME.
