

Greetings from District 3,

We had our first district meeting in person, since COVID, on Sunday, August 15th. Our previous meeting space is no longer available so we met at the Dows Rest Stop on I-35. The weather was a little windy but otherwise we had a good meeting. We chose this location as a halfway point between Ames and Mason City. It was well attended and a few of us went out for pizza at the Pickles Pub in Kamrar after the meeting. I highly recommend it. The fellowship filled my cup up. I have missed it so much. Our next district meeting will be Oct 24th and we will meet in Clarion at a member's home.

Meetings continue to be well attended. We have a mixture of in person, online and hybrid meetings. Groups have started having business meetings again and are talking about elections for new service positions in 2022.

I have been invited to join a panel of members to talk about sponsorship at the West Alley Mason City 9 am meeting on November 13th.

That's the news from District 3 – our number is small, but our members are on the ball.

Respectfully,

Audrey U
District Representative
