

Newsletter Coordinator Report
Fall 2021

It's unbelievable that we are already approaching the end of the second year of this term! The next deadline for the *Iowa Reaches Out* newsletter is November 1st. As you prepare your reports, I hope you will include any group and district events that have been scheduled for 2022. While we won't have a printed calendar, it would be great to include your official events on the newsletter's calendar.

As mentioned last spring, the newsletter is now emailed from iowareachesout@gmail.com. If you don't receive it, please check your spam and make sure you add this address to your contacts so it comes through.

If you are not the CMA for your group and don't receive the newsletter, you can subscribe (for FREE) by emailing me at iowareachesout@gmail.com or signing up by the Newsletter Coordinator display at the assembly.

Yours in service,
Luanne T.
