

Iowa Area Alateen Coordinator/AAPP October 8, 2022 Report
Lorraine

Hello!

I'm grateful to be with everyone at the last Area Assembly in Panel 60's term!

Thank you, for the wonderful growth experience I've had as Iowa's Area Alateen Coordinator/AAPP. Of course, Covid 19 made a couple of the years challenging.

Thank you to all AMIAS (Al-Anon Member Involved in Alateen Service)!

Alateen wouldn't exist without your steadfast dedication. You hung in through zoom meetings, hybrid meetings and getting back to face-to face meetings. You are my heros!

Attendance at Alateen Meetings

I'm happy to report that some of the meetings are experiencing a resurgence of Alateen members as the meetings have returned to in-person. Carroll, IA has set into motion a meeting in the local school.

Instructions on "How to become an Iowa AMIAS"

The PowerPoint is to be found on the iowa-al-anon.org website. It is the last post under ABOUT ALATEEN. I, and Michelle K., Iowa's Public Outreach Coordinator, held a workshop on August 28th to present the Alateen PowerPoint and Michelle's information on how to access the Alateen Public Outreach posters.

Iowa Alateen Serenity Weekend 2023

We still have the Iowa Alateen Serenity Weekend scheduled for April 21-23, 2023 at Wesley Woods Camp in Indianola, IA.

I want to extend my congratulations to the new Iowa Area Alateen Coordinator/AAPP. Thank you for stepping up to helping our youth recover form the family disease of alcoholism.
