

Group Records October 2022

Hello everyone.

I can't believe my time is almost up as Group Records Coordinator! Seems like I am just getting the hang of the job.

At this time we have 1 new electronic meeting in District 16!

**Importance Notice:** The WSO sent out the annual update sheet for our Area, to **each groups' CMA (Current Mailing Address)**. This means that the CMA member who receives this mail, after consulting with the group to see if changes are needed, **is responsible for verifying the information** on the form and updating it, if necessary. The update could include any information involving meeting physical location, zoom links, contact numbers etc. It is important to read over the form and make note of any changes needed.

I, as Area Group Records Coordinator, would like to request that each group's CMA or GR send the updated information to my Group Records email ([thggr2023@gmail.com](mailto:thggr2023@gmail.com)) so I can signify that the form was received and sent.

Please remember that the Area has decided if a group is going to stay virtual, they need to let Group Records know so the appropriate information will be available for the newcomer. This would include the **meeting id and password**.

One way to check that your group information is correct is to go the WSO webpage and search for your group and if it is not current to please let me know. Here are the links: <https://iowa-al-anon.org/> and <https://al-anon.org/al-anon-meetings/find-an-al-anon-meeting/> .

When you send in a group record update, the information to be included is found on the form. If you do have updates or you have questions regarding group records, feel free to contact me via email at [thggr2023@gmail.com](mailto:thggr2023@gmail.com) or contact your DR.

Up to date group information helps members and newcomers find a meeting when they need one!

See everyone real soon!

Tracy H.G.
