Welcome everyone!

Today I want to remind everyone that the Webpage is where you can register for the Fall assembly in person and Virtually. There are buttons on the Welcome, Calendar, and Iowa AFG Contributions pages.

If you are looking for where you can find events happening in the Area, Districts, or WSO please look no further than the Iowa Alanon Website Calendar page. Even better, if you would like to share events with our Area, send your District Events to web@iowa-al-anon.org.
