

### **Area Coordinator - Public Outreach (“PO”)**

WSO launched the Public Outreach Toolkit a few months ago. Here is the link:

If you want to add something to the WSO PO Toolkit, please work through me. The WSO will review before anything is put on their website.

September was Recovery Month and I proposed an Area-Wide PO Project to the various districts PO Coordinators. We kept it simple for this first one by placing as many Forums (new or old) or AFA magazines out to the public. I suggested dropping them at the little libraries, public libraries, treatment centers, doctors/dentists’ offices, police stations, the emergency room at the local hospitals. Include a label with your District’s information (website, phone numbers, etc.)

I will be presenting a PO workshop at October assembly. Plan to attend to learn more about how you can assist with PO!

Yours in Service,

Carolyn S.
