

Area Serenity Weekend Planning Meeting

Hello! It's time to put another event on your calendar!

On Friday, March 9th at 7pm, I will be holding an Area Serenity Weekend Planning Meeting via Zoom. This will be the first time of doing this planning event in this manner and I have to say, I'm anxious to see how this will work!

At the end of the 2023 weekend, participants were asked to give suggestions for ideas on how to make the weekend better/different. There were many suggestions and I look forward to everyone's enthusiasm and great ideas to help with the 2024 Serenity weekend.

I have some flyers for you to share and the flyer will be also available on the Iowa website. Remember, this meeting is for **everyone!** Spread the word! The more that attend, the more ideas, suggestions, and fun we will have. If you have ever attended the weekend, you know how special this weekend can be.

Again, this will be the first time doing this meeting via zoom, so come with patience as we go through another learning experience! I will be presenting the results from the meeting at our March 10th AWSC meeting.

This year our Area Serenity weekend will be September 20-22nd, 2024.

Becky V.
