

March 10, 2024

Hello fellow AWSC members,

I'm apologize for not being there in person today. I had a previous work commitment that I could not get out of. Please know that I am missing all you!

A really BIG THANK YOU to Linda A. for stepping in at the Area Service Workshop yesterday, and today to read this report. I know she's had a whole lot going on recently but she's always willing to be of service. Sincerely, Thank You Linda!

I am blessed to be starting my 2<sup>nd</sup> year as the Iowa Area Treasurer. One of the biggest things that I've learned with having a day job in Accounting (for a really long time); is that with any new task/position, I don't make changes in the first year. This gives me time to connect the fiscal year dots. After going through my 1<sup>st</sup> budget review, researching different projects for thought and task forces, I've learned a few things. As such, you will see notice some changes in the Treasurer's Report. Hopefully you will see how these changes follow the budget line items more closely. The purpose of this is for easier tracking of expenses. If you have any questions, please don't hesitate to shoot me an email.

Lastly, please email your expense reports for today to [areatreasurer@iowa-al-anon.org](mailto:areatreasurer@iowa-al-anon.org). I will get a check to you as soon as possible.

Love and Service,

Michelle K.  
Iowa Area Treasurer
