

Area Inventory Committee Update – March 2024 AWSC

The Area Inventory Committee has met several times the past few months. The Committee members include Missy Y, Luanne T, Laura S, Virginia P and Linda A (Chair). This survey is conducted during the 2nd year of our term at Spring Assembly and results shared at the Fall Assembly.

As a group we have come up with several questions about the Iowa Area. Around the time of the Spring Assembly, the survey will be posted on the Iowa Website for all of you to take and submit your answers. Computers will be available if you need assistance in taking the survey. It is important that each and every one of you take the survey so that your voice be heard.

The results of the survey will be presented at the Fall Assembly in Sioux City.

Linda A. – Area Alternate Delegate
