

Hello Everyone,

The last few months have been busy with the Iowa Al-Anon Webpage. By updating information, uploading new online meetings, and finding ways to support our Al-Anon members at home.

First, we have slim lined our newsletter page. On this page we have access to our Area Newsletters. You are able to click on a link and read the newsletter Below that we have the link to "In the Loop". This is the WSO's Newsletter. Under that a link has been added for you to sign up for information from the Iowa Area.

Second, is the addition of a new page called "How Do I". This Page has and will continue to add information to support members with GR and DR Salon Presentations, Zoom skills and other needed information.

Next, the idea of having information and reports on time allows plenty of time for the AWSC to scrub the reports for personal information. I ask that you have the reports turned into the Area Chairperson on time. All reports will be uploaded as soon as possible. This means that any reports sent directly to the web coordinator will not be posted until they have been scrubbed.

Finally, Please send me information on activities in your districts to upload them on the website. There is also a button for signing up to the Spring Assembly for Virtual and a link for in person as well.

Thank you,

Jamie O.
