

District 16 Report for March, 2024

Our big news is that we have a DR (me), and officers, hooray!! We are Iowa's electronic district; all of our meetings are on Zoom. Some electronic meetings in Iowa have chosen to be part of another Iowa district, and others have chosen to be in WSO's Global Electronic Meetings. We are for groups that are electronic and want to be connected to Iowa.

We are a fairly new and small district (2 groups), and we are looking forward to growing in the coming years. Right now, it's nuts & bolts time, where will we get mail, where will we set up a bank account?? We had our first district meeting on February 21. We elected officers, made start-up decisions, and got to know each other better. Our next meeting will be on May 22, 2024, 8:00-8:40 p.m., on Zoom.
