

There's always something going on in District 7. The building where our Service Center is housed had a pipe burst due to the frigid temperatures. Fortunately, no literature was affected but we had to close the meeting space for a week or two until the rest of the building was safe to use again. Plans are progressing nicely for our Serenity Day in April and annual Birthday Celebration in May. For the latter, we will be having a guest Al-Anon speaker from Cincinnati, Kathy H. I also have raffle tickets for a quilt that several members made with various slogans on them if anyone is interested. We will be drawing for a winner at our Birthday celebration and you do not have to present to win. Looking forward to reporting back to you all how things go.

Grateful to be of Service,

Ashley C
District 7 Representative
