

Hello friends,

Let me start by thanking all of you who have reached out to me over the last month. Your thoughts, prayers, encouragement, and offers of support and help have meant the world to me! This has been a very trying time for me and my family. Everyday is filled with new obstacles to overcome and problems to be solved. It has been exhausting and challenging, but we are making it through one day at a time.

I am happy to report that the Area Group Records bag was able to be retrieved from my house on a kayak the day after the flood hit, and everything is in perfect condition! I am also happy to report that I was finally able to have a day to go through all the emails I have received over the past month for updates and changes to different groups. As of the day I am writing this report, to the best of my knowledge, all of the Iowa Group Records are up to date! I truly appreciate everyone's patience as I am working through the chaos that is my life.

Yours in love and service,

Libby W
