

Website Coordinator Report
August 2024

Hi everyone,

I cannot wait to see everyone in person in October and give you all hugs. Until then, I will wave from the screen.

Just a reminder that the Website is up for renewal in April 2025. This was paid for 3 years in advance which is why we haven't seen a cost for this in the previous two years. Second, thank you to everyone who has sent a district flier for events happening in your area. Please remember to send these to the web@iowa-al-anon.org.

The Electronic Groups have been updated. I believe I have finally removed ALL of the Covid-19 information from the website. As information continues to come in I will continue to update the website.

Yours in Service,

Jamie O
