

## Technology Coordinator Report January 12,2025 AWSC

I was able to participate in Area Virtual Salon, Working with Hybrid Meetings. It allowed me to hear information and needs of the on-line groups and also let me offer my assistance at helping them do whatever may be needed to have their meeting be healthy and grow.

I put together a couple of documents that were sent out to those who attended. One on how to join a Zoom meeting. I also have examples of how to raise hands and how to use the chat options. If anyone would like a copy, they are available, just let me know and I will let you know the best way to get them.

I also have been working with the Area Chair and Archives committee to put more documents onto the Area Google drive.

I continue to research technology items that can help our Area advance.

If you have questions about technology, or ideas for some training options, please feel to reach out to me. I can't promise an answer to everything but together we may be able to figure it out together.

Connie H.  
Area Technology Coordinator
