

March 2025 AWSC
District 2 Report

Our three meetings continue to have good attendance and see newcomers. At our recent district meeting, we discussed advertising on a billboard again. We hope to attract people who are looking for the help we found in the rooms and computer screens of Al-Anon. We are also discussing another district fun day.

We also heard about a new Al-Anon meeting in District 15, which is next door to us. This is very exciting. District 15 has not had an active meeting in a while. The new group is meeting in Hull on Sunday evenings. We are planning to get a car full to go visit soon!

In service,

Luanne T.
