

## District 3 March 2025 News

### Greetings from District 3

We are working with the committee for the Spring Area Conference being held in Clear Lake in June. Flyers are out so don't forget to book your hotel rooms and register for this conference.

Our district Serenity Day is being held July 12<sup>th</sup> at the Calkins Nature Center outside of Iowa Falls. The theme, speaker and agenda have just been decided on this past week and the flyers are being made. We will get one sent off to the website as soon as they are done, so watch for that wonderful event coming up. So, mark your calendars to enjoy some fun, friendship and fellowship.

Yours in Service,

Laura S

District 3 Representative
