

Is it Spring yet? While we were not fans of the extreme cold temperatures here in District 7 we are very glad to have the fellowship to keep us warm. I'm excited to say that plans for our District Serenity weekend (March 29th-30th) are going full speed ahead. It will be the first time since the pandemic that there will be an overnight option (Saturday only) and the return of our fun, sometimes notorious No Talent Talent Show. The majority of the weekend however will be a deep dive into our newest piece of literature, Healing Within our Alcoholic Relationships and hearing some fantastic speakers. Our Annual Birthday Celebration (May 3rd) is also looking to be a great time and the quilt we are raffling off this year is gorgeous. See me if you would like tickets to have an opportunity to make it yours. While we hope to see you there you do not have to be present or a member of District 7 to win the quilt. Likewise I have also brought some copies our local magazine Cityview with the ad featuring information about Al-Anon and where to find meetings in our District that I had mentioned at our last AWSC meeting if anyone would like one. Our Public Outreach committee is also planning on getting involved in our Little Libraries program in the spring to get the word out as well. I look forward to seeing you all in person and as always...

Grateful to be of Service,

Ashley C.
District Seven Representative
