

The Area is in need of a website coordinator to finish out the term. This person should have basic computer skills and knowledge of GoDaddy and Wordpress. The website Coordinator updates documents and information on our [iowa-al-anon.org](http://iowa-al-anon.org) website periodically. They are also part of a team that reviews the website for style and content. This month the meetings page was updated to bring the electronic groups registered in Iowa to the same line of sight as the general meeting finder.

Please send district and area updates to [areachair@iowa-al-anon.org](mailto:areachair@iowa-al-anon.org), along with [web@iowa-al-anon.org](mailto:web@iowa-al-anon.org) until the position is filled.

Respectfully submitted,  
Katy P., Area Chairperson
