

June 2025 Assembly
District 2 Report

Our Monday night meeting held a group conscience and has decided to meet online year round instead of transitioning to in-person for the summer. That means our district has two online meetings you can all visit from your home computer and one in-person meeting.

On Saturday, August 16 we will host our annual District Fun day. The theme is United in Serenity, we are stronger together. We will get started at 1 pm. We will have snacks, speakers, fellowship and fun. We invite you to make the trip to Spencer to join us.

And you're always invited to join our virtual meetings on Monday and Tuesday. The login information is on the website!

In service,

Luanne T.
