

Area Group Records March Report – March 2026 AWSC

Greetings from Central Iowa. I have been working on all the District changes for GR/CMA and group requests that have been sent to me along with requests coming from WSO.

We have a new meeting that opened in District 4 called Progress Over Perfection AFG located in Waverly IA that is held on Wednesday night, 7:00 pm at the Trinity United Methodist Church. We are excited to hear of another meeting in our Area.

Remember to use the chain of service in your District for your group changes or if you don't have a District Representative, feel free to email me at my Area email.

Yours in Service,

Laura S
