DR Report for District 13, Iowa Area AFG

Our weekly meetings in Iowa City, Coralville and Muscatine are doing well.

The Sunday Muscatine meeting has a new GR, Kelsey C.

Our first district meeting with new officers was held on January 10. At that meeting, we decided to continue to fund our phone line, despite fewer callers as more people find meeting information online. As one Member said, "If the phone line helps one person, it's worth the cost." Our next district meeting will take place on April 11.

In gratitude and service,
Kevin S., DR District 13
