Spring Frolic, District 1's fundraiser to help the AIS/LDC pay their bills, occurred on April 25. We enjoyed the Alateen speaker from Fort Dodge, Josh J (he told us he was voluntold by Leslie!) The Al-Anon and AA speakers were top-notch and they both spoke well of his first time at the podium!

Wednesday, Midweek Relief AFG welcomed a transfer member who moved from Waterloo area, we are happy to welcome Lori T. Lori is our newest recruit as an AMIAS. We all look forward to Fall Assembly to attend the AMIAS training by Ashley C.

Midweek Relief AFG will present our District 1 Serenity Day on Saturday, June 6 at Stone State Park. We have a lively morning planned, and a sub-sandwich brunch; followed by some Outreach service planning for the fall.

Our District continues to work with our neighbors in District 15. The Hull AFG now has a GR, Erica V, who has been with us since the first meeting in February of 2025. I heard of attendance issues at the LeMars meeting and have been attending their meeting for the past month. I engaged them in some simple Outreach; they are a group with long-term Al-Anon history and will bounce back soon.

We had a call requesting a Spanish speaking group. After a bit of conversation, the caller verified previous Al-Anon attendance; and said they would be willing to help start a group locally. A call to Rosie S was made and the two of them will take it from there. There are Spanish speaking AA meetings in our area.

Barb U – District 1
