It's been a hot summer so far but I've stayed cool having completed our Area Recertification Process for all AMIAS (Al-Anons Involved In Alateen Service) by the June 15th deadline. I appreciated everyone's timely response and patience as I figured out a way that works best for me. Currently in Iowa, we have 7 active Alateen meetings and 47 Al-Anon members serving as AMIAS's.

I have secured Camp Wesley Woods near Indianola, Iowa for the Area Alateen Serenity Weekend for April 9th-11th, 2027. Management has changed hands these past few months but I am hoping to get a contract that I can send to Linda and Dawn to sign and put the deposit down. More details to follow in coming months. By the time of our AWSC meeting I will have attended a Zoom training on August 3rd to learn more about participating in the EASBR and will, along with Libby, have more information to share at Assembly. Speaking of Assembly, Josh from Fort Dodge will be our Alateen Speaker and I look forward to hearing his story.

Grateful to be of Service,

Ashley
