Area Coordinator - Newsletter

Two newsletters have been released to date. I will be sending another one later this month. You should receive the newsletter via email to the email on record with Iowa Area Group Records plus anyone who has requested to receive Iowa Area information. Please share this vital communication with your members and groups. I sent a survey to obtain your thoughts and recommendations. Please respond to this important survey. Your thoughts matter. I will be giving a presentation on the newsletter at the Aug. AWSC meeting. Thank you!

Yours in Service,
Carolyn O.
IA Newsletter Coordinator
