IA Area District Representative 14 Report – August 2026 AWSC

District 14

Leslie R. DR

singinglady711@hotmail.com

The 3 Fort Dodge Al-Anon meetings are well attended. Our Thursday evening Alateen meeting is also going well. Josh J. has accepted to speak at the Fall Conference,

Tonia A, alternate DR and I plan to attend a workshop August 1st in Algona. We are attempting to attend meetings in our District 14. Tonia attended the Tuesday morning group in Carrol. It was well attended. We have not attended Manning. It is quite a distance. We drove to Storm Lake for their meeting listed as Saturday night. They only had an AA meeting. An AA member gave me Lori S"s phone number. She said she was unable to keep it going. They attend local AA meetings.

Tonia and I have returned from the District 2 workshop in Pocahontas. It was a wonderful day of sharing. Jada from Pocahontas was the speaker. We had a chance to talk to her about the group. Mary T is listed as GR. Her husband Bruce has been battling cancer. His white blood cell count is very low. She is with him all the time. We have been praying for him. She has turned everything over to Jada.

Jada says they meet every Thursday when possible with only 2 or 3 members. On the 3rd Thursday they can attend an open AA meeting.

We still have difficulty attending or zooming the Sunday meetings as we are in Church. I will be providing Special Music on August 9th. So I will not attend. Tonia will attend.

Respectfully Submitted,

Leslie R, DR 14
