District 3 June AWSC Report

Greetings Iowa Al-Anon!

It's been a hot summer since I retired! I've spent most of my days at the pool with my youngest grandson who is 10. August 1 I helped my oldest grandson move into his first apartment. Lots of changes going on for me!

District 3 did a great job planning for the 2026 Iowa Area Spring Assembly in Marshalltown. Thank you to Mona P and Laura S, and all who helped set up, cleanup, and participate in the skit!

D3 had a successful Serenity Day on Saturday, July 11, 2026, 12:00-4:00 pm at Calkin's Nature Area near Iowa Falls, Iowa. I think we had about 15 in attendance who all brought delicious food to share. The museum area was open, so some people checked that out, and one person found the roller slide and took ride down (it isn't for the fragile person! Lol). Alenia O. brought materials to make bookmarks, we watched an Al-Anon movie, "Lois W and the Pioneers" (AV-24), played some Al-Anon history trivia with fun prizes provided by Sheila D., raffled some great items, and lots of laughter and sharing about how we all found Al-Anon. It was a great day of fun and fellowship, and we're looking forward to planning for the next year!

At the next D3 meeting, we'll be looking at public outreach opportunities and maybe a service workshop.

I attended the D2 Fun Day on Saturday, August 1, in Pocahontas. I was blessed to see lots of old friends, some I hadn't seen in a couple years, and made a couple new ones. I look forward to attending more events outside D3 in the future, starting with the Area Serenity Weekend in September. I'm registered. Are you?

In gracious service,

Jody Hayes
