The 3 Fort Dodge Al-Anon meetings are well attended. We are doing a Thursday evening book study on Reaching Personal Freedom. We should conclude it shortly. Our next book will be "in All Our Affairs"

Tonia A and I have been trying to attend meetings in our District. We discovered that the Storm Lake Chapter is no longer meeting. The Algona Chapter meets sporadically when they can. We attended a workshop in Algona put on by District 1 in which Karin from Algona chapter was the speaker. It was excellent. We also attended Serenity Weekend and were inspired by the speakers, the sessions and the overall planning. It was a great time of Fellowship.

Our Thursday Alateen group is stable but not growing and we intend to do some outreach to the schools. Several have had health issues and school conflicts but we are doing our best.

At present we have 3 groups in Fort Dodge, an Alateen group, 1 in Manning, 1 in Pocahontas, 1 in Algona, 2 in Carroll. Our goal is to have better communication within our District and have District meetings again.

Respectfully submitted,

Leslie Anne R. - DR14
